# ABOUT KUMAR SOAPS & CHEMICALS

---

Established in 1968 and headquartered in Mohali, Punjab Kumar Soaps & Chemicals has been a trusted name in the manufacturing of high-quality cleaning, hygiene and home care solutions for over five decades. Our portfolio includes eight registered brands with a strong presence across Northern India, serving households, institutions, and commercial establishments.

Combining decades of expertise with modern production practices, we continue to deliver effective, reliable and value-driven solutions that meet the evolving needs of today's consumers and businesses.

## VISION

**To lead a movement of care and cleanliness where every product we make enhances lives, strengthens families, and nurtures a cleaner, healthier and happier nation**

## MISSION

**Our mission is to create lasting value for our customers, team members, vendors and stakeholders by manufacturing and delivering superior cleaning and home care products. We strive to build sustainable growth through innovation, operational excellence and customer-centric solutions while creating opportunities that empower communities and contribute meaningfully to society.**

# OUR CORE VALUES

---

## CARE AT THE CORE

Care is the foundation of everything we do. We care deeply for our customers, our people, our products, and the communities we serve.

## COMMITMENT TO QUALITY

Quality is more than a standard-it is our promise. We continuously strive to deliver products that meet the highest expectations of performance, reliability, safety, and consistency.

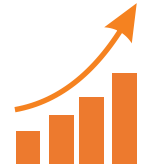

## CUSTOMER-CENTERED INNOVATION

We listen, understand, and innovate with purpose to create practical solutions that simplify cleaning and enhance everyday living.

## INTEGRITY IN ACTION

We conduct our business with honesty, transparency, accountability, fostering long-term trust with customers, employees, suppliers, and business partners.

## CONTINUOUS IMPROVEMENT

We believe growth comes from learning and innovation. We continuously strive to improve our products, processes & services.
